Learn more about science, engineering and technology, while having FUN through the use of hands-on projects provided by Lego® Educational Division and Computer Explorers. In this Robotics class, innovative Lego© Mindstorm Spybotics will be used to build and program robots. Students working in pairs learn how to use the computer to program the robots, and work with advanced heat and light sensors along with the RC controls. The students will race against time to complete their daring missions! Daily challenges may include simulated laser mazes, robotic tag, obstacle avoidance and mine-field navigation, disarming a hacker-bot, and dueling with fellow classmate's spybots and much more!

Video Game Design Entering Grades 4-9 ***Register today!**

Do you enjoy playing video games? This course will give you hands-on experience developing your own game. Students working in pairs will design, create, and edit their own 2 dimensional arcade-style video game. Students work through increasingly challenging tutorials and class led projects leading them to finally take what they have learned to create their own games in the last session. You will design the action, create the characters, and edit the objectives and outcomes. Games created in class will be available online or students can bring in a USB drive for immediate access. Students will receive a 120 day limited version of the programming software so they can continue their creations at home.

Date: Monday, Tuesday, Thursday, & Friday August 9-13. **Time:** 1:00 P.M. – 3:30 P.M.

Rate: \$120. **Activity # 370213-01**

Mayer Arts Musical Theater Camps

The mission of Mayer Arts is to not only provide training for those who are serious about learning but also to offer classes that are tons of fun! We teach proper technique, terminology, body awareness, and appreciation for the arts. Our goal is that students will not only find a love for the arts but also build healthy habits and self-esteem – skills that will be helpful to them for the rest of their lives.

“My Highschool Musical 4” Theater Camp Ages 4 to 12 *Register today!

Are you anxious for High School Musical 4? Why wait any longer! We will take our favorite songs and dances from the past three movies and put them together in a show that we will create! Bring your enthusiasm and get ready to shine! All levels are welcome. Everyone will receive solo speaking lines. Please wear lightweight tennis shoes, ballet slippers, or jazz shoes. Bring a nut free snack and beverage daily. Friends and family are invited to observe a special performance during the last 30 minutes of class on Friday. We are all in this together!

“Once Upon A Time” Dance and Drama Ages 4 to 7 *Register today!

Who is your favorite character from your favorite story? Come join us for five days of fun-filled, energetic dance and drama as we put our favorite characters in a new imaginative story! We will use musical instruments, scarves, crowns and other props to create our story along with dancing to fun children’s songs. We will then incorporate those dances into the story to create a wonderful musical! No experience necessary. All that is needed are comfortable clothing and lightweight tennis shoes or dance shoes. Please bring a nut free snack and beverage daily. Friends and family are invited to observe the final 30 minutes of the final class. Don’t miss this fun opportunity to create and explore your creative side!
